

Approved Vendors

We are excited to be in the planning stage of the 61st Annual RSSI C&S Exhibition which will be held at Kansas City Convention Center, May 16-18, 2022!

There are many pieces involved in putting together a successful show. In order to give you the best experience, RSSI partners with several trusted companies to help us facilitate a seamless show from beginning to end. The following vendors and their services have been approved by RSSI for the 2022 exhibition:

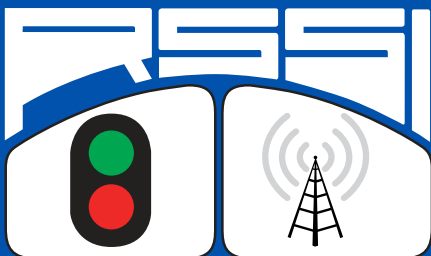

RCS Registration	Online/On-Site Registration and Lead Retrieval Services
Conference Direct	Hotel Reservations – link will be housed on RSSI Website www.rssi.org
FERN Exposition	Official Service Contractor/Decorator
A2Z Personify	Floor plan and mobile app/online profiles
Temporary Technology	Audio Visual Needs
RainProtection	General Liability Insurance

The vendors listed above are the only vendors that would reach out to you regarding the exhibition. Any other solicitor is not approved. You may contact our office at (904)379-3366 or email us at RSSI@RSSI.org for confirmation, questions, or concerns.

PROTECT YOUR PERSONAL AND CREDIT CARD INFORMATION

All attendees need to be aware that they may be solicited by “pirate” companies who to sell attendee lists and/or offer hotel discounts. RSSI does not sell lists; attendee lists are distributed to all exhibiting companies and sponsors at no charge. RSSI handles all hotel reservations for our exhibits with a negotiated group rate for RSSI attendees. We provide a hotel link on our website to make the process seamless and all questions or concerns can be directed to RSSI so we can assist you. We strongly recommend you use the link we provide to ensure you receive the discounted rate.

Looking forward to seeing you in Kansas City!!
